

LOWER PRICES—BETTER CLOTHES

25 to 33 $\frac{1}{3}$ Per Cent Off Regular Prices

This is not a sale of a few of the older numbers. This remarkable cut in prices includes everything in our stock of new and up-to-date clothes for men, women and children. It is in line with our desire to bring prices back to normal. Right now in the heart of the season you enjoy these tremendous reductions—backed by our *Up-to-date Charge Account System*, an accommodation that help you buy and help you save—
